RE: Early Intervention Workforce Survey Request

The Bureau of Early Intervention (EI) is currently seeking feedback from current and former EI providers via a “Workforce Survey”.

This survey asks a variety of questions about provider demographics, employment arrangements, as well as motivators and disincentives to working in the field. Your participation in this effort will greatly improve the Bureau’s understanding of the EI workforce.

You may have received a direct invitation to complete this survey via an email from SurveyMonkey. If not, and you would like to participate, please click the link below:

[2023 EI Workforce Survey](#)

If you are interested in completing this survey, we encourage you to answer all of the survey questions so that we can get a comprehensive view of the current landscape.

If you have any questions or concerns about this survey, please reach out to dhs.eiquestions@illinois.gov.

Thank you in advance for your assistance in completing this survey and for all you do to enrich the lives of Illinois EI families and their children.
