Re: Provider Payment- Issue

The Bureau has been made aware of an issue with the recent payments sent out to providers that resulted in only portions of the vouchers to be paid. We were informed that there were some errors in the way the payment vouchers were processed after they were submitted to be prepared for payment.

Timely and accurate payments are crucial, and we understand the importance of resolving this promptly. We are actively working to fully resolve this issue and outstanding payments should be released in the next few days.

Thank you for your understanding and patience.
